MEMORANDUM FOR THE RECORD

SUBJECT: Revision of NSC 123, "Evacuation of Selected Key  
Indigenous Persons from Danger Areas"

1. The revision of NSC 123 has been discussed off and on for a number of years. The last activity was on 28 April 1955, when Attorney General Herbert Brownell, Jr. stated the Department of Justice position (TS #032423, Series "B"), to which the Director replied on 30 May 55. Since that date, the file I have been holding since 1954 shows no exchange although there may have been some activity in the Interagency Evacuation Committee of which Colonel [redacted] was Chairman.

2. In view of a recent possibility that interest in NSC 123 may revive, Colonel White agreed that the entire file should be sent to Mr. [redacted] SPA-DD/S, Room 2101 "L" Building, which is being done today.
